Guests can enjoy listening to live music and delectable food designed to pair perfectly with the brews. Craft beer has grown so much that Visit Loudoun has even created a "LoCo Ale Trail" and provide a map with the location and best route to all 17 breweries in the county. Loudoun pairs a modern and urban eastern corridor with wide-open rural seclusion on farms and pastures along the foothills of the Blue Ridge Mountains in the west. Loudoun's breweries match their local surroundings, as Beltway Brewing, Old Ox, and Ocelot to the east, offer large tasting rooms and refreshing beers for close to Washington DC. Further west, Dirt Farm Brewing, Old 690, and Barnhouse Brewery offer farm brewery experiences with the chance to see firsthand where the beer's ingredients are grown.
